To Whom It May Concern:

Established in 2008, the **Katherine Snorton Scholarship Program**, under the administration of the L.E.A.D. Foundation, Inc., is pleased to release the information for our scholarship program for current college students (undergraduate).

Through the support of the Snorton Family and their support of the L.E.A.D. Foundation, Inc.'s initiatives and programs, a total of **8 scholarships in the amount of \$5000** are available to students who are currently attending a college or university. Priority is given to potential first generation students from our emerging communities (i.e. African-American and Spanish Speaking Background) along with students who attended high school in Gwinnett, DeKalb, or Fulton Counties; however, **any student** may apply for consideration of our funding opportunities.

One (1) \$1000 scholarship, two (2) \$750 scholarships, and five (5) \$500 scholarships will be awarded to qualified undergraduate students who are attending a four-year college or university during the 2010-2011 academic year.

***Cover Letter.** Your 1-page single/spaced cover letter should provide an overview as to why you should be considered for the scholarship (i.e. your course of study, community/civic activity, or other related academic, professional, and personal traits that you feel lend to consideration for receipt of the scholarship).

***Current Resume.** This should include your **college/university attended, GPA, major(s) and/or minor(s), extra-curricular activities (i.e. student clubs, academic/professional associations, community service).**

***Current Transcript.** This should be the student's official transcript of **all classes, grades, and college(s)/university (or -ies) attended.**
